PROPERTY DESCRIPTION

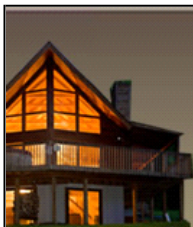

This handsome log home offers an **open and airy floor plan** that's great for entertaining and relaxing. The kitchen is **roomy and spacious** and features hickory cabinets, an island for additional workspace, upgraded fixtures, and matching appliances while the living room has the traditional **gas log fireplace** that is wired for a flat screen TV above it! A split floor plan tucks the other bedrooms and an expansive laundry room at the end of a large, functional hallway along with a **bonus room** that could be used as a home office or hobby room. The **master suite is a dream** with a large, tiled shower and his and her closets. Another special, added bonus to this wonderful home is the **66-foot covered porch!** Yes, 66 feet of additional space for you to enjoy life in the mountains overlooking your secluded property. And there's more - like the full metal roof, the 16x20 storage **shed/workshop with electricity**, and gentle-laying land. You certainly can enjoy Mother Nature right here on this ridge top!
